

518 DNR-DNI ORDERS

I. PURPOSE

The Carver-Scott Educational Cooperative (CSEC) recognizes that it is serving students with complex health needs. The CSEC also recognizes that CSEC staff may be confronted with requests to withhold emergency care of a student in the event of a life threatening situation at school or school activities or be presented with Do Not Resuscitate/Do Not Intubate (DNR-DNI) orders. The purpose of this policy is to provide guidance to CSEC staff and parents or guardians in these situations.
