

POSITIVE BEHAVIOR INTERVENTION STRATEGIES

Presented by: Jessica Bjorkman

February 2, 2012
2:45 - 4:45 pm

CSEC Main Campus
401 E. 4th Street
Chaska

DESCRIPTION: What are positive behavior supports? This question, as well as how to implement PBS in the classroom, will be answered. Participants will be guided through the transition from reliance on reactive, punitive procedures to more proactive and preventive strategies in the classroom. Focus will be on antecedent arrangements, teaching strategies, and positive consequences in order to promote appropriate behavior and deter challenging behavior. Class-wide and individual strategies will be discussed.

Certificate of Attendance for 2 hours will be issued.
